

5 May 2009

Dear Parents,

I appreciate everyone is busy but the attendance for this mornings meetings was very disappointing. Mrs Black's offer of a Literacy session for parents and our summer term PTA were poorly attended and left those involved feeling very disheartened. Your support is vital to our children and school's future; we need informed and proactive parents to ensure we continue to build on our success. Please do try to attend where possible, and if not please send your apologies and let us know how you can be involved.

Term Time Holidays

Please find attached government guidelines regarding the taking of holidays during school time. There have recently been rather a lot of requests for holiday authorisation for the summer term and I am becoming increasingly concerned of the impact school absence has on our children and their education.

KS1 Literacy Mornings

Parents of children in years 1 & 2 are invited to join our literacy session on Tuesday morning, 12 May, from 9 - 10.30am. There will be an opportunity to find out about reading and writing at our school.

Music Lessons

We have signed up for lessons as a school, more information will be offered to all those who registered an interest in the coming weeks ready for a September start. Opportunities offered will include class, group and individual lessons.

PTA Minutes

The PTA minutes are attached.

Best wishes
Caroline Rodgers
Headteacher
