

26 June 2009

Dear Parents,

Numeracy Week

Everyday had a different Numeracy Focus - the children had great fun applying their mathematical knowledge and understanding to the range of tasks set by their teachers. The mathematical fancy dress ideas were fantastic, thank you to everyone who joined in.

We finished off the week with a Parwich Primary School Mathematical Relay - what fun we had!

Rounders Tournament

A huge round of applause to our Rounders Team that competed at QEGS on Tuesday evening, a fantastic effort by everyone involved - thank you to all the parent's that supervised and supported our children.

Next Week

Week commencing the 29th June; 'Sports Week' - this is a national initiative, a timetable of events is attached- a useful website is: www.schoolsportweek.org

Monday 29th June - PC Cassidy is visiting school as part of his role as Community Liaison Officer - Parents are welcome to join us from 9.30am.

Teaching Vacancy Update

On Monday evening the Governing body met to discuss amongst other things the appointment of staff and the process for appointments, which is the responsibility of the Governing body and the Headteacher. The Governing body all agreed without any dissention that the process should involve all the members of the Governing Body and staff that wanted to be involved in the process. After discussion it was also agreed by all the Governors that it was not appropriate to involve staff or Governors who had resigned.

The closing date for applications is Monday the 29th June, the Headteacher and the agreed appointed representatives will shortlist, with interviews taking place on the 7th and 8th of July. The process as you can imagine is a lengthy and detailed one to ensure we make the right appointments for the school and most importantly for the children. If you have any queries about the process please don't hesitate in contacting Caroline Rodgers, The Chair of Governors Ed Linnell or Linda Brown Vice Chair.
