What an experience! Every year gets better and better. The  
children sang their hearts out and  
performed as only true professionals can. Thank you to our  
school choir for all the time and effort they put in preparing  
for the event and to all the parents that supported us.

### KS2 Homework

All the junior class handed their homework in today and what a  
fantastic, impressive job they have done.

I am very proud of the effort and professionalism that  
has been applied. Each child has a date and time for  
their presentation next week.

At the end of this term parents will have an opportunity to view  
the projects, date and time to be confirmed.
