Internet Safety Click Clever, Click Safe

Online safety is a topic we actively promote in school, reminding children how they can keep safe online. To improve parental awareness DirectGov has put together a new internet safety code that has been developed with three simple rules to teach your child
Zip It, Block It, Flag It.

Hockey Tournament—Monday 22nd March

4.15pm at QEGS

KS2 children and staff are really excited about the forthcoming hockey tournament. However, can I please remind parents that school cannot be responsible for organising transport of children either to or from the event and that children remain the responsibility of the attending adult throughout the tournament. Please arrive promptly ready to begin the first match at 4.15pm on the astro-turf (goalkeepers will need to be there as soon as possible to be dressed in padded kit). We will allow the children to get changed at school before the end of the day. Thank you

Sports & Fun Tournament

The letter which was sent out last week about the sports & fun tournament had a mistake on the slip at the bottom. The possible date for the tournament should have read Saturday 19 June.

Request from our Play Leader

Please collect and send in any clean milk bottle tops and bags which come with washing powder tablets for use at lunchtimes. Thank you.
