A HUGE thank you to all of you who turned out to support our churches over Easter, especially to those who decorated them so beautifully. It was great to see our services so full and to retell the Easter story.

Over the last few weeks, spring seems to have arrived. In the fields we see lambs, calves and even a curlew or two around Parwich. Trees are blossoming, daffodils are blooming and the countryside is barely recognisable from the snow covered land that we moved into a few months ago. It's as though nature is starting again.

The very first Easter, which we remembered in our services, was the beginning of the church as we know it today. From a handful of disciples, it's now a church that now spans the entire world - a family of about two billion people.

It's amazing to think that as we remembered Christ being killed and celebrated him rising from the dead, we were joining so many other folk around the world. We are part of a huge international family of Christians. The bible encourages us to meet together regularly, to strengthen and deepen our faith and to love and care for each other. Please do come along to our weekly services; everyone is welcome.

Wishing you God's peace,

*Andy*

**UPDATE FROM  
YOUR SAFER  
NEIGHBOURHOOD OFFICER**  
March/April, 2010

Dear Resident

March and April has been fairly quiet regarding incidents, but nevertheless a few more have occurred since the last newsletter, so below is a brief update.

On 14/3 it was reported that an aggressive dog was on the Tissington Trail, the caller, quiet rightly was concerned for the safety of trail users. After a bit of digging regarding previous complaints, the owner of the dog was advised and the DDDC Dog Warden was informed.

A female was arrested for possession of cannabis and dealt with via a formal cannabis warning on Dovedale car park. She was discovered by an Officer on routine mobile patrol, she had walked there from Ashbourne, this was on 20/3 at approximately 1.30am.

A vehicle was stolen from Thorpe area; Staffordshire Police dealt with the incident as it was on the Staffs side of the River Dove, but passed details to Derbyshire Police for observations. This is a fine example of both Constabularies working together. The theft took place on 28/3 and was reported at 19.41hrs by the owner. Enquiries are ongoing and hopefully to a successful conclusion.

On the same day a little earlier there was a RTC (road traffic collision) in the car park of the Dog and Partridge ph. There were no injuries.

East Midlands Ambulance Service (EMAS) contacted the Police to inform us that two young boys had fallen from the quad bike. They had been picked up by a kind local farmer who had taken them to his farm at Pikehall. One boy had a head injury and both were in shock. They were eventually taken to Chesterfield Hospital. Neither was wearing crash helmets, both boys were advised accordingly by the Paramedics treating their injuries. It is vital that

all quad bike users wear the appropriate equipment, as this will protect them and hopefully prevent serious injury. The incident took place on private land. Many thanks to the farmer who helped the emergency services.

Tyres on a vehicle at Tissington village were damaged during the night 7/4 – 8/4...please contact Police if you have any information regarding this incident.

Officers on mobile patrol were made aware by an alert member of the public at Bradbourne that a male was calling at houses in the village and when invited in was speaking about historical houses. The person concerned became very nervous after inviting him into the house and asked him to leave, this he did. He was in a Red Rover car, but no other details were known. Please inform me if you have any information regarding this incident. This happened on 13/4 at approximately 5.30pm. It is advisable not to invite people who are not known to you into your property as it could have unpleasant consequences.

On the 14/4 complaints were made regarding four vans parking and causing an obstruction at Ashes Lane Fenny Bentley. This is quite a regular issue, but we encourage residents to contact us and we will always try to find a solution, as we did with this incident. Communication is everything.

On the 15/4 at 12.00am a Renault van and a Transporter van were involved in a Road Traffic Accident (RTC) on the Fenny Bentley stretch of the A515. This incident was caused by a Mercedes van overtaking inappropriately. Thankfully, there were no injuries and fortunately in the queue of traffic there was an off duty Nottinghamshire Constabulary Officer who sprung into action and directed traffic until local Officers arrived. There were no injuries and the road was cleared eventually. Observations for the offending vehicle were put out but there was no sign of the van.

That concludes the incidents that have been reported. I am typing this in the Ashbourne Safer Neighbourhood Policing Team office at Compton, the sun is shining outside and it is time to vacate the office and resume my mobile patrol around the best 'patch' in Derbyshire.

TISSINGTON SAFER NEIGHBOURHOOD POLICING TEAM GOVERNANCE MEETING was held at Tissington Village Hall on 18 March 2010, many local issues were discussed by all in attendance and it was a chance for residents to meet the SNP Team. Copies of the minutes are available from the Police Station Enquiry Office or contact me on 0345 1233333 or email [kate.cleveley.4431@derbyshire.pnn.police.uk](mailto:kate.cleveley.4431@derbyshire.pnn.police.uk) and I will deliver them to you.

The next meeting of the SNPT Governance Meeting will be held at Thorpe Village Hall at 7.30pm on Wednesday 16 June 2010. All are welcome.

We continue to live in an area that is low on crime and anti-social behaviour. In relation to this it continues to be one of the best areas in the country to live.

## **ST. GEORGE'S DAY SERVICE**

The weather held, the sun shone on the final Sunday of April and the Parwich Society of St. George celebrated with a parade and Service in St. Peter's church. Led by the Doveholes Band, local Cyber Scouts, Cubs and Beavers with a contingent of Ashbourne Cadets marched through the village accompanied by Oddfellows, friends and family members.

Once in church the large congregation enjoyed some full-throated singing of traditional hymns, remembered those in need throughout the world and nearer to home and were led in their thinking by the Rev. Andy Larkin who produced a knight's sword reminding us all of the importance that each knight laid upon the fight for truth, honest and freedom in our world today, as in years gone by.

Within half an hour or so the flags that had been laid up for the Service, were on their way out of church and off round the village behind the band. After a number of 'refreshment stops' all made their way back to the Legion for lunch.

## **FAIR ON THE GREEN**

Following the St. George's Day Service, The Green was soon a hive of activity as stall-holders prepared their stalls and wares for the afternoon Fair. Books and Bric-a-Brac, Cards, Tombola, Home-produce, Jewellery, Plants, Face painting, Bouncy Castle and a Top Nosh stall of filled rolls, cakes and teas provided something for all tastes whilst Mike Hughes, Lewis Noble and friends provided rich musical fare. Three features were new this year-the vicar was to be found on his knees awaiting a 'soaking' in a pair of stocks, Margaret Russell's Animal Welfare stall and Delia Pegg just managed to complete the first of her flower arrangements before an April shower arrived to thwart her second effort. This rather curtailed events for half an hour and many eventually drifted away to the sound of the A52s who refused to be put off!

The church's Restoration Fund has benefited to the tune of £550 for which all concerned are most grateful with a special thanks to all who contributed to the stalls and came along to enjoy another happy village occasion.

### COFFEE MORNINGS

Our coffee morning on April 14<sup>th</sup> was very well attended which was wonderful. We had been able to get Jit Parmar to come and talk to us about the work of Hearing Dogs for the Deaf. He also brought with him his own dog, Crocker, who is truly gorgeous and evidently a perfect hearing dog.

Jit talked about his own experiences, as well as giving insight into the work done by the Charity in training dogs. He became suddenly deaf about two years ago – a devastating blow resulting in severe depression and isolation from humanity. But since acquiring Crocker his life has changed and he is back to his normal self with Crocker acting as his ears, letting him know what sounds are, such

as telephone, fax machine or door bell and even responds to sign language. As a result of the morning, a total of £78.00 was generously donated and a cheque has been sent to Hearing Dogs for this amount.

A letter has been received from the County Air Ambulance Trust to thank us for our contribution resulting from the March Coffee Morning. To quote from their letter: "The Midlands now has one of the most efficient helicopter emergency medical services available, certainly in the UK, if not the world". The charity is entirely funded by charitable contributions and they are extremely grateful for our support to provide essential aid to this vital, life saving service.

**Future Dates: May 19<sup>th</sup>, June 16<sup>th</sup> and July 21<sup>st</sup> in the Village Hall between 10.30 am and 12 noon as usual.** On May 19<sup>th</sup> the charity to benefit from any donations will be the *British Red Cross*.

## **ST. LEONARD'S CHURCHYARD WORKING PARTY**

We are aiming to have a working party to tidy up the churchyard after the winter. It is looking beautiful at the moment but in a month's time we will need to do some work on it.

It will take place on **Saturday, May 22<sup>nd</sup> from 10 a.m. onwards.** Any help will be greatly appreciated. Strimmers, shears, secateurs and wheelbarrows will be welcomed!

NOTES FROM THE HALL

MAY 2010

## Well-Dressings 2010: Date May 13 - May 19 2010

Please collect your car passes from the Estate Office or from Acanthus at the beginning of May.

After some discussion at the Committee meeting it was decided that there would be NO Well-Dressing Party this year. Nancy Wilton is collating Town Well this year so please help her and her team.

## Saturday 22 May 2010 - Charity Derbyshire Clay Shoot

Please be aware that the Shoot will again be taking place this year on the Estate and there will be a large amount of traffic that day. The Shoot last year raised £40,000 for charity and it is hoped to raise a similar amount this year in aid of Marie Curie Cancer Care, Neurocare, Helens Trust and Cavendish Cancer Care.

**The Shoot does need helpers rather like last year (and you will be paid and fed) so please register your interest with the Estate Office.**

## Mrs Shuter's Funeral

A sum of £450.00 was raised for Church funds from donations at the funeral.

**Tissington & District WI - April Meeting**

The meeting commenced with a minutes' silence for Mrs Barbara Shuter who died at the end of March.

The Speaker for the evening was Mrs Marjorie Ashford who gave a very interesting talk on bee keeping; she brought samples of honey for tasting and some tools of the trade. The vote of thanks was given by Ann Sutton.

A reminder was given for the resolutions meeting next month.

Refreshments were served by Joan Boam, Ann Unwin & Helena Naylor.
