School Absence

Mrs Warner and I regularly review trends and patterns with regards to pupil attendance; the amount of time being missed by some children is becoming increasingly worrying. I am sending home a copy of the school attendance information for parents published by The Department for Education.

I am meeting with our Local Education Welfare Officer in the very near future and will inform you of the outcomes.

Wakes Week

Wakes as if you didn't know starts on Saturday. Lots of fun and exciting activities are planned throughout the village.

More information is available on the blog.

KS2 Rounders

A big thank you to the children who took part in the rounders tournament on Tuesday evening. We would also like to thank the parents who came along to support the children, as your attendance is very much appreciated. It was a lovely sunny evening and it was nice to see parents and siblings enjoying a picnic!

PE Equipment Reminder

Just a quick reminder about the tennis rackets we are giving away for a small donation. They will be outside the infant classroom at the end of each day next week. Monies raised will go towards buying a stick-insect tank for the classrooms as the one we have at the moment is only on loan.

Sun Awareness

Without wanting to jinx our recent period of glorious weather could I please ask all parents to either ensure their child is covered with an all day sun protection lotion or ensure your child brings into school a bottle of spray lotion with a minimum factor of 30.

Staff are happy to spray and then children can rub it in but will need your permission
