This month I'd like to say a huge THANK YOU to all who work so hard behind the scenes in our churches. On the week I'm writing this article, we will have the Archdeacon's Visitation service, where all our wardens will be sworn in. Working alongside our wardens, we have our treasurers, secretaries, PCC members, those who help organise events, those who carry out sides person's duties, our organists, those who clean and polish and decorate our buildings with flowers, those who help with the school assemblies and other school related activities and those who help with administrative tasks, not to mention those who lock and unlock our buildings every day. That's quite a list and I'm sure I will have missed some out! There's a small army of folk who contribute HUGE amounts to the life of our churches. To all of you, THANK YOU.

This of course is exactly the way it should be. Church is for everyone and everyone is invited, not just to attend, but to play a part within the life of the church community. If you'd like to get further involved or feel you have time or specific skills to offer, please do give me a call or drop me an email, I'd love to hear from you.

FENNY BENTLEY

If you hold Christian faith and live in the Parish of Fenny Bentley, wherever you worship, please give me a call, I'd love to hear from you.

Wishing you Christ's peace,

*Andy*

## *Rose's Ramblings*

It's hard to believe that it is nearly three years since I started working for the ACE Youth Worker Trust and the original funding is coming to an end. Looking back it has been a winding journey with an assortment of successes. It is interesting to see where God has guided us – as none of us dreamed the project would be where it is now – with the main emphasis on supporting young people within the school, and providing activities and advocacy for young people in the community. ACE is seen as a unique project within the secular community and of vital importance, filling a gap that currently no other youth agencies fill. We have the support of QEGS senior management, the County Council Youth Service (from whom we have been given the equivalent of around £10,000 for different projects), Connexions (formerly Careers service), Police, who support our work and use us as partners in community initiatives; and the new hospital has asked us to lead a youth consultancy for young people's health issues within and outside the hospital.

In less than three short but busy years, the project has made a deep impact on the local community – and we are so grateful to you for your support – financial, prayer and emotional! I am also deeply thrilled and touched that many of you have opted to continue the support of this unique project into the future. Thank you from the bottom of my heart and on behalf of the young people of the area who have been expressing panic to me if the project ended now.

Young people appreciate the project, especially the help given at the lowest time in their lives and support the search for future funding. It is my passion to lift and support young people at their lowest ebb. This is not being a social worker as has been complained about; any person working in God's grace should be holding a helping hand out to those in need. This is the prime example Jesus gave. If you boiled down the Gospels it would be Jesus loving and loving and loving – the rich, the poor, the scape-goated, the despised; “to bind up the broken-hearted” –

and I am so delighted to try to be God's hands to young people in the Ashbourne area; and pray hard that this will continue. I've included below a few quotations of young people and other services, so that you can rightly share in the thanks that others express for the ACE Trust.

"Linda is an incredibly positive and pro-active member of staff who is non judgmental. She is motivated and committed. She understands. She does not question; she does not aim to change. She gives of her time freely and is always there to support. Staff at Queen Elizabeth's Grammar School and staff from involved external agencies consider we as a community have benefited from Linda's involvement." *Ann Hambly SENCO, QEGS*

"Linda is the best thing since sliced bread. Cos she's always there when you need her and always there to help if you, like ever need a hand. She's a perfect youth worker for the area. When she first came she did a lot of work with bonding the police and young people together, now there's a relationship between everybody." *Lad age 18*

"Linda has helped me because I don't get in trouble anymore. I think this has helped me because she doesn't work for the school" *14 year old lad with court order*. I believe in the short time I have known Linda she has made me more motivated and helped me to get my target grades." *Same lad 18 months later*.

"support sessions help me, calm me down, if I didn't have Linda I would be a lot different." *16 year old girl rarely in school*.

"Linda helps me explore my feelings – so it makes them come out instead of keeping it in. Other people don't get what people have been through – Linda's got experience of what people have been through so she can help people." *14 year old bereaved girl*.

"Linda is very helpful and kind and always there for you and people. She helps out very well. It made a difference about looking at me and what my life is kind of about, how to change things that are bad in my life. It keeps me out of trouble. It helped me settle in school." *14 year old with multiple difficulties*

"If it hadn't been for you I'd have topped myself"; *18 year old girl with multiple difficulties*

These successes involve me at the face to face end, but the project is way bigger than just myself. The tireless hard work of Trustees and friends of the Trust, as fundraisers, managers, and other crucial practical roles plus the ongoing financial and prayer support from dedicated people across the area is the bedrock of this work. Without you, the work could not be done. Please continue to support in whatever way you can. We ARE making a difference in young people's lives – from literally saving lives, to improving education and expectations, to keeping young people out of criminal trouble. Young people – like us all – are formed in the image of God; we just help them discover the love and joy in the best of God's kingdom. Thank you on their behalf for all that you do, and hopefully continue to do.

*Linda Rose*

**LATEST UPDATE FROM  
YOUR SAFER  
NEIGHBOURHOOD OFFICER  
April/May, 2010**

Dear Resident

It was reported on the 23/4 three miles out of Ashbourne that a bullock was on the highway. Later in the month another report of a cow on the road near to the Bluebell Inn at Tissington. This is quite a common occurrence on the A515 and often happens in a rural area, but a solution must be found before there is an incident.

I am at the present time liaising with DDDC Highways Department to resolve the issue of cattle grids and their condition, this is a contributory factor to the issue. Although most are in good repair, many are not and over the years have been covered by 'plates', this obviously allows animals to 'escape' out of the fields. May I thank the farmers and the

community for all their cooperation during my attempt to resolve this issue. More information to follow next month.

The Safer Neighbourhood Policing Team are also liaising with agencies regarding traffic/parking issues in several villages. More information will follow with a happy solution for all concerned.

At Thorpe on 10/5 there was an unexpected discovery by two people on the rifle range. A 2in. mortar was found buried in the bank!

Local Officers were immediately deployed to the location and the Bomb Disposal Unit were deployed from Nottingham. A cordon was set up and an assessment of the scene was conducted.

The Bomb Disposal Unit arrived and it was confirmed that this was a 'live' bomb, probably from the WWII. They then dug a hole and detonated the bomb! Safety of the public being paramount. The cooperation and organisation of all the emergency services is just so important when an emergency occurs.

### Events

During the 'Bearded Theory' event several items were stolen from a tent, these including cash, and car keys.

Tissington Well Dressings have been incident free, and a good time, from the response of the visitors speaking to me when on foot patrol at the event, has been had by all. The tearooms have been extremely busy and the staff all seem to keep smiling throughout! The weather was so sunny and warm just perfect for visitors to the village and surrounding areas.

We continue to live in an area that is low on crime and anti-social behaviour. In relation to this it continues to be one of the best areas in the country to live.

# **London Bridges Walk 2010**

## **in aid of Kidney Research**

Anne, June & Kathy Dutton, Ann Naylor, Pauline Smith & Andrea Stone are taking part in this year's London Bridge Walk on Sunday 13th June. The walk covers 13 miles starting from Battersea Park to Tower Bridge and back again.

Kidney Research UK is the charity being supported, raising money through sponsorship which we have been collecting individually. A big thank you to everyone who has already pledged their support, we are extremely grateful.

We decided to take part in this challenge and support Kidney research UK after Alan Dutton (son of Anne), became ill with kidney disease resulting in renal failure. His disease is such that he will need a kidney transplant in the future. We all wish him a speedy recovery and all the best for his continuing treatment.

If you would support Alan and many others with kidney diseases, you may wish to consider sponsoring us as a group by contacting:

## COFFEE MORNINGS

Our Coffee Morning on May 19<sup>th</sup> was not so well attended as usual for a variety of reasons, but it was a happy get-together and a total of **£39.45** was generously donated. A cheque for this amount has been sent to our local branch of **The British Red Cross** at Matlock.

A very appreciative letter of thanks has been received from **Hearing Dogs for Deaf People** for our contribution from last month's 'Paws for Coffee' morning. Apparently they are attempting to raise £6 million a year in order to carry on with their work and 'Paws for Coffee' events countrywide are one way of raising some of this money.

**Future Dates:** **June 16<sup>th</sup>, July 21<sup>st</sup>, August 18<sup>th</sup>** between 10.30 am and 12 noon in the Village Hall as usual. The charity to benefit from any donations on June 16<sup>th</sup> will be: *Guide Dogs for the Blind Association*. Everyone is very welcome – from wherever you might live! RH

## St. Leonard's Churchyard Working Party.

A big thank you to everyone who did sterling work tidying up the churchyard on an exceptionally hot Saturday morning (May 22<sup>nd</sup>). It was much appreciated. Our next tidy up will be in the autumn. Volunteers are always welcome! RH

The purpose of the meeting was to establish if grants would be available and if the project was viable.

Mr Burfott believed the project is urgent and partical grant funding available.

This could be staged over 2-3 years

The initial step would be to get a detailed quotation, then 1-2 other quotes. Mr Burfott was willing to attend & assist in this process. Following the quotations, consideration could be given to which fund could assist with each section of the process.

652 REQUEST FOR FINANCIAL SUPPORT

Cllr A. Wager offered to investigate with Land Registry.

It was agreed to have minuted “If any Parishioner can come forward with any information/knowledge of the ownership of such land. ie. Common Land or Parish Ground”. It would be greatly appreciated. Agenda for next meeting.

656 DATE OF NEXT MEETING: Monday 5<sup>th</sup> July

Cllr R. Neilson closed the meeting at 8-30pm.

**Thorpe Village Hall Annual General Meeting** will be held in the Hall on Thursday 11 June 2010 at 7:30 pm. The agenda is: –

- Apologies for absence
- Approval of the minutes of the annual general meeting of Monday 14 May 2009
- Annual report
- Treasurer's report
- Conversion of Village Hall Title from Possessory to Absolute
- Election of the management committee

The hall is a charity managed by eight trustees, five of whom are elected at this meeting. The PCC, the PC and the Dovedale Dash nominate the other three trustees. There are currently two vacancies and replacements are needed.

The duties are not onerous – the hall has a caretaker and shortfalls in funding are met by the Dovedale Dash. Two or three committee meetings a year are usual. The trustees no longer organize social events but someone with bright ideas and enthusiasm would be very welcome.

## NOTES FROM THE HALL

JUNE 2010

### **Well-Dressings 2010**

The Well-Dressings went very well this year and many thanks to all the Scouts that managed the Car Park. The Committee will meet shortly to distribute the money raised.

### **Saturday 22 May 2010- Charity Derbyshire Clay Shoot**

We were very fortunate with the weather over the Clay Shoot weekend and so little disruption was made to the ground that we shot over. Furthermore the Charity Auction and the event made a total of £93,000 for the cancer charities based in and around Sheffield. Many thanks to all those that helped and contributed to a hard-working but enormously successful event. Thank you.

### **Dog-Fouling in the Village**

There have been a number of incidents of dog-fouling around and about the village especially in the vicinity of the The Foot gennel and Chapel Lane. This is not just a public awareness issue but also a Health & Safety issue as regards young children. Please be aware that if the problem persists, the Parish Council will be forced to call in the Environmental Health Officers and enforce fines, not something that I thought I might ever see in Tissington.

### **Tissington Traffic Management Plan (TMP)**

Under the blessings of the Planning Authority , a meeting is to shortly take place to set up a Traffic Management Plan (TMP) for the Village. The TMP is in its gestation but any comments/views about what it may or may not include should be forwarded to the Estate Office by June 8 in the first instance. What do **you** want from such a project? Please do get in touch. Comments can be sent by email to the Office at [tisshall@dircon.co.uk](mailto:tisshall@dircon.co.uk)
