School Tote

The School Tote continues to very kindly raise funds for school projects throughout the year. There are currently four vacancies available for parents interested in financially supporting school by donating £1 per month. Please see Tricia Watson on the Playground for more information.

Dogs on the Playground

Sorry, but due to Health & Safety guidance, pets are not permitted on the school playground.

2010/2011 Academic Year

Welcome back to the start of this new academic year. I hope that you are as excited as staff are at the prospect of developing this successful school towards its potential.

It has been such a pleasure to see so many of you over the past week in the playground. I hope that you received the information that you were expecting and maybe some new information that you will find helpful. I am sure that you are looking forward with as much anticipation as I am at the prospect of such an exciting year that the staff have planned for your child.

New initiatives this year include a greater focus and emphasis on reading and the tracking of progress within reading, this will include a partnership approach with all parents to ensure that pupils read on a regular basis and that the material they read is suitable for their age and ability.

We are also developing further our use of ICT as a tool for learning. We will be doing this through the use of Kaleidos, our on-line learning platform, and in EYFS/KS1 by integrating the use of mini laptops within lessons to enable pupils to use the technology as and when it is appropriate. This certainly does not mean that your children will be using computers all of the time, but it does recognise the fact that computers play an important part in the learning process.

Please do not hesitate to contact your child's teacher with any questions you may have.
