End of Term

Thank you to our school community for such a successful term. The support and help has been invaluable and ensures our fantastic school continues to thrive.

The summer term although short is already proving to be jam packed with fun and learning, please keep an eye out for the newsletters which will be sent **every other week from May**.

Wishing you all a super Easter break.

Severn Trent Water Assembly

On Monday 4th April the children had a visit from a Severn Trent Water representative. She told the children about how waste water and river water is treated to be clean enough to drink.

We also found out what happens to the waste we flush or goes down the drain and the impact of this on our environment. We learnt ways of saving water by showering, using the plug and not using a hosepipe to water the garden among others. The Eco-Committee then produced a water audit with an action plan on ways we can save more water in school.
