Staff Appointment

On Monday 20th June our school's governing body held interviews for the infant teacher vacancy. The six candidates completed a range of tasks including a gruelling interview with the

School Council, delivering a 20 minute interaction task to a selection of EYFS/KS1 children before finally completing the process with a formal interview which provided an opportunity for the candidates to discuss and explain their knowledge and understanding of teaching in a mixed age class and being part of a small school team.

The standard of the applicants was exceptionally high and after much deliberation the governors' vote was unanimous - Miss Hannah Pendrigh was appointed and joins our team in September. I'm delighted to say that she will be joining us for the day on **Thursday 23rd June** to introduce herself to the community and begin to get to know our school, in particular the infant class which of course she will assume responsibility for in September.

Infant Class Tadpole Release

As part of our topic on Mini Beasts we have been taking care of tadpoles.

To allow them to grow they were released into the pond in the village.
