CHAIRMAN'S COMMENTS

Welcome to our 60th Annual Show. With the glorious weather we have been having we are hoping for a fabulous number of entries and, now that the show is aimed more at the local amateur gardener, we hope that many of you will feel able to enter at least one of our classes.

Following the high standard of entries last year in the Gentlemen's Only classes we have continued with them this year and hope to see as many towering sculptures as before.

Open Gardens was again a great success and the society raised a lot of money which will be ploughed back into supporting worthy village causes. This year we have made donations towards the village celebrations for the Royal Wedding and Pilates for the young and elderly.

This year again, the Society has put on some very well attended talks and trips. They were generously subsidised and it meant the cost of a day trip was kept well below £10.

The Society has continued to assist with the school gardening programme and the children have certainly enjoyed growing and then eating their own produce.

Many thanks to all those who have supported us over the last year. Please come to the AGM, join the committee if you can, but make suggestions as to what you would like to see us offer as next year's action-packed programme of events.
