Eco Christmas Cards

Don't forget as published on previous newsletters we are having a 'Christmas Card Free' school this year. Instead we have made some tags from recycled Christmas cards which the children can write messages to their friends on. We will then hang the tags onto our school Christmas tree.

The tags will cost 10p each and the children can write as many as they like. The Eco Committee will use the money raised to buy items for the school and gardens or recycling bins for the classrooms!

School Procedures

A reminder that should you wish your child to change their lunchtime arrangements then school requires ONE WEEK'S notice. A letter should be sent into school informing staff of the date your child will swap from/to packed lunches and any outstanding payment.

Please be aware you will be charged for any lunches ordered.

With regards outstanding payments for lunches taken by children at school. Derbyshire County Council issue letters when the debt reaches a certain amount. You will unfortunately receive one of these letters from school with details of the consequences of further non-payment. To avoid receiving such demands please ensure all monies are paid on Monday morning in advance of the lunches to be taken.

Headlice - Once a Week Take a Peek!

Yet again I am receiving complaints from parents about headlice across the school. I cannot stress how important it is to check your child's hair weekly and treat as necessary. Please ensure you take a peek this weekend!
