

OPEN THE SAFE

One raffle ticket will be drawn at 8.45 pm every Friday.

How to Enter.....

- Buy a raffle ticket at £1 per raffle ticket.
- You can purchase as many tickets as you like each week.
- Raffle tickets will go on sale every Friday evening after each draw, and will remain on sale for the rest of the week.
- Raffle ticket sales will cease at 8.15 pm on the night of the draw, prior to the draw.
- Once the draw has taken place, all raffle tickets purchased for that draw will be discarded.

How does it work.....?

- The Legion will hold a bag of 30 key different keys, only one of which will 'open the safe'.
- On the night of the draw a single raffle ticket will be drawn at random at 8.45 pm the winner will receive a bottle of wine.
- The winner will then select one key from the bag and attempt to open the safe.
- If the attempt is unsuccessful the key will be placed in a different bag.
- Thus, on week 1, there is a 1 in 30 chance of finding the right key and the odds of success increase every week, by week 11 the chance of getting the right key would be 1 in 20, and by week 21 it would be 1 in 10.....
- The process is repeated each week until the safe is successfully opened.
- If you are able to open the safe you win a **BIG CASH PRIZE**.
- If your ticket is drawn and you are not in the Legion for the draw the bar staff will select a key and attempt to open the safe on your behalf.

Prize Money and Raffle Ticket Sales.....?

- On the night of the first Draw, the value of the cash prize will be £100.
- 70% of the raffle tickets sales will be added back to the prize fund every week – so if we sell £100 of tickets in week 1 and the safe remains unopened, the prize fund in week 2 would be £170. Assuming ticket sales remain the same on average, by week 15 the prize would be over £1,000 and by week 30 it would be £2,130!!!!
- After ever draw the value of the new prize fund for the following week will be calculated and advertised.

How is the money raised apportioned....?

- 70% of the raffle tickets sales will be added back to the prize fund every week.
- 10% of the raffle tickets sales will be donated towards the poppy appeal.
- 20% of the raffle tickets sales will be given to the Legion to use towards buying the wine prizes and covering the initial £100 prize fund .

How do I buy tickets ...?

- Each week tickets will be on sale in the Legion during standard opening hours (from 6 pm Monday to Saturday and from 4 pm on a Sunday) – please ask the member of bar staff on duty.
- Each ticket will have two parts - the Legion will keep a one part of your ticket, with your name written on the back for entry into the draw, and you will retain the other part.
